

Project: 123-124
New Bond Street,
London

Client: City of London

Architect: City of London
Mr A Cunningham

Value: £84,000.00

Period: 8 weeks

This project consisted of the refurbishment of the internal staircases to the property including maintenance repairs to the external fabric of the building.

Works also included redecorations of the property, roofing repairs and the replacement of a steel staircase.
