

**Project:** Eaton Row  
**Client:** Mr J Woolf  
**Architect:** GRA Architects  
G Randall  
**Value:** £260,000.00

Construction of additional floor to an extremely high class residential property, work also included various structural alterations to remaining area of the dwelling complete with installation of new electrical and mechanical services, redecoration to the property and installation of special sliding roof.

The property is located in a densely populated area in a cul de sac where access and egress was extremely difficult

Works were carried out in partnership with GRA Architects who acted on behalf of Firmco Ltd
